10 February 1956

The Honorable Theodore C. Streibert Director, United States Information Agency Washington, D. C.

Dear Mr. Streibert:

The Director has asked me to forward to you this comparison of primary energy production in the Sino-Soviet Bloc and the Free World. You may recall that a question on this subject was raised during the Security Council meeting of 18 January.

STAT

Sincerely,

Robert Amery, Jr.
